Re: LB 875 Effective Date

LB 875 includes the "emergency clause", which under Nebraska law means that the legislation is effective upon signature of the Governor. Governor Heinemann signed LB 875 on March 13, 2006. However, Section 20 of LB 875 specifies that all of the bill, with the exception of Sections 3 (amending the provisions of the Title Insurers Act), 20 (effective date clause), and 21 (severability clause), are effective "three calendar months after the adjournment of this legislative session." The Legislature adjourned sine die on April 13, 2006, and the Department has been advised that therefore most sections of the bill are operative July 14, 2006.
